Community

All Christians are to live out their faith
throughout their lives, wherever God has
placed them in the community,
in their work and leisure.

We want to support and encourage them
as they do this.

The monthly lunch club in Ipplepen is
organised and run by members of the
local churches

Along with other
local Churches and
groups in the
community, we
prepare Christmas
Shoebboxes of
presents to send to
different parts of the
world

Fair trade

We've a permanent Fairtrade stall at the

We believe in a practical faith, taking
seriously the needs of God's world, and
our responsibility as global citizens
